Traffic Mirror Helsinki

Inox, 60x40cm, ice-free

SKU: TM-B INOX 40 X 60

GTIN: 4250912310384

The Helsinki Traffic Mirror is made of stainless steel and features special cushions on its backside to prevent ice formation on the surface. A silicone layer seals the structure, ensuring full waterproof protection. Designed for traffic safety enhancement in cold climates, it provides clear visibility in extreme weather conditions. A 4-point ball joint mounting bracket is included, allowing for adjustable positioning at various angles. Built for durability, this special bracket can withstand strong winds of up to 117 km/h.
